NEWMAN JUNIOR COLLEGE

ANNUAL 2001

through shadows

and images to truth

SCHOOL PRAYER

O Lord, ever living and ever present, we ask your blessing on our school community. Inspired by the example of John Henry Newman, may we keep clearly before us your call to reach for what is highest and best, as we move through shadows and images to truth.

Let us grow in wisdom and love and act with courage to choose what is right. May we always be open to change and have the strength to accept what is new and valuable.

Give us peace and happiness in what we do. We ask this through Jesus, Your Son, and Mary, our Mother. Amen.

PRINCIPAL'S REPORT

Welcome to the first Yearbook for Newman Junior College. I would like to pay tribute to the parents and teachers who have worked hard to realize this dream. In particular, thanks are due to Tammy Misson who has put many hours into making the Year Book a reality.

This year we began the implementation of our Strategic Plan 2001-2005. This plan was developed during 2000 and promises a clear focus for the future of our school in the spiritual, educational, administrative and pastoral dimensions. Already significant progress has been made towards the achievement of many of our strategic objectives.

Our whole school mass each term continues to focus our attention on the Catholicity of our school. The accompanying 'buddy days' have been a great way to bring together the love of God and of one another that are an essential part of building the kingdom in our community. The support for the RE program from parents has been reassuring, especially during the Sacramental programs.

This year has been one of ongoing growth for Newman Junior. We welcomed several new teachers to our school and looked forward to the gifts they would bring to our community. They settled quickly into life at Newman Junior, thanks in part to the warm welcome and encouragement they received from fellow teachers and parents. One major success story this year must be the introduction of the music program on the Marist Campus. Not only has the quality of the overall music and singing improved, but the choirs have performed with talent and enthusiasm. The music night was enjoyed by the 300 who attended.

The introduction of the Reading Recover Program on the Brigidine Campus is already paying dividends with notable success stories among our year two children. Mrs Wills has poured enormous energies into the training and application which will ensure this program is one of the school's strengths in the future. The early identification of children with literacy problems and the application of appropriate strategies and programs to meet these needs, are an ongoing priority in our school.

I wish all in the Newman Junior Community the peace and joy of Christmas and look forward to the joys and challenges of 2002.

NEWMAN JUNIOR COLLEGE BOARD

Annual Report

The School Board is charged with the responsibility of overseeing the School's finances, to plan for the present and future operation of the school and to advise the Principal in formulating school policy on matters affecting the school's finances. Its aim is to promote the educational goals of the College as a Catholic School and to collaborate with the Church in its mission of spreading the Good News of the Gospel.

2001 marked the most significant change in the Governance of the College since 1983 when the Brigidine Sisters and the Marist Brothers formed Newman Junior College. After much discussion, prayer and soul searching the Brigidine Sisters decided to withdraw from Western Australia and as Governors of the College. We are grateful and thankful to the Brigidine Sisters for the vital part the Sisters have played in the development of Newman Junior College and this will be remembered and continue to be recognised in our Founders' Day celebrations.

During the year the Board has continued to ensure that the facilities we offer our children are maintained and upgraded. Works carried out in the past year include the paving of the Brigidine Campus courtyard, refurbishment of facilities on the Brigidine and Marist Campuses, continued commitment towards ensuring that our children have up to date information technology through the ongoing implementation of our policy of upgrading and replacing computers on a rolling basis, as well as considerable work and consultation on developing a program of planned maintenance of the College's buildings.

Finally I would like to thank Mr Jim Green, the parents and the Parents and Friends Association for the tremendous support given to the Board and the College.

Wishing you a Happy and Holy Christmas, God Bless
Paul Davidson, Chairman
Newman Junior College School Board

PARENTS AND FRIENDS ASSOCIATION

The P & F meetings have always been the forum for parents to come together and have their say. This year has been no exception. It has been a most rewarding and eventful year with many tasks and activities accomplished.

First on the Agenda for 2001 was the organisation of the traditional 'Welcome Night'. This event has always been the opportunity for new families to NJC to meet other families in a fun and relaxed atmosphere, and this year proved to be just that. We spent an evening with Dinosaurs at SciTech to end term three. What a fantastic night!

Not only did our children receive an education at school this year, I am sure that a lot of you who attended our guest speaker evenings also did. Speakers included a dietitian from Curtin University. Ian Lilloco (Secondary School Principal and Author of *Educating Boys*), Mr. Paul Herrick (Principal, Newman College), who discussed the visions for the College. Also drug education was the focus for term four with a talk presented by a school based police officer.

The P & F levy of \$15 per family per term has bought many items. This year we were able to contribute \$10,000 to the paving at Brigidine Campus, supply funds towards the purchase of percussion instruments, and also provide the ongoing cost of supplying sunscreen for all classrooms on both Campuses. Other funds were also allocated to be spent on items requested by teachers to enhance our children's learning experiences.

On behalf of the P & F committee, I would like to say a big thank you to all families who have contributed in some way this year, either by supporting the P & F levy, attending the guest speaker evenings, attending the special events throughout the year, or helping at the Busy Bee. And keep in mind the P & F meetings. We welcome everyone, as the meetings are not restricted to committee members only. We appreciate input from all our families and this is a great way to get involved in the school and meet with other parents.

Finally we would like to wish the Newman Junior College community a safe and Happy Christmas and New Year.

NEWMAN JUNIOR COLLEGE AUXILIARY

The Newman Junior College Auxiliary consists of a group of enthusiastic volunteer parents who plan, organise and coordinate both social and official events for parents, teachers, children and visitors to the College. Some of the events are fully organised by the auxiliary whereas others involve a small task of providing scrumptious refreshments for the occasion. The Auxiliary also facilitates the "Newman Dabblers" Craft sessions that gives parents and teachers the opportunity to learn a new skill or discover their hidden talents.

List of major events that we organise:

Welcoming Morning Tea, Swimming Carnivals, Open Day and GrandParents Day, Staff and Parents Quiz Night, Sports Carnivals, Music Night, Orientations and Helpers Lunch.

head girl and head boy

I'm Sarah Madigan

... and this year, 2001, I am head girl at Newman Junior College.

I really enjoy attending Newman and I love the facilities that the school has to offer. We have a 50 metre lap pool which we swim in, in term 1 and 4, as well as a college chapel on the senior school grounds and a small one on campus that we can visit at lunch times. We have a library with many books and 8 computers. A computer lab that holds 17 computers and each class has their own computers. All school computers are connected to the Internet. We are very fortunate to have a large well-kept oval, a school hall, amphitheatre and tuckshop. We also have specialty teachers who teach us Italian, sport, library, art and music.

This year on student council we organized a talent show, which I think everyone enjoyed. It was very successful as we raised \$130.

My name is Peter Grieve

... I have attended Newman Junior College since pre primary. This year I was elected head boy by my classmates and teachers. One of my main roles was to be a part of the student council, which was a team made up of the head girl and head boy, a sports captain selected from each faction, head library monitor, head chapel monitor and head computer monitor. We learnt how to run meetings. We discussed many things but our biggest achievement was organising the talent show. It was a great success because it let people show what they were good at and it was enjoyable for the spectators too.

I am proud of my school because it has such extensive grounds and a special extra feature that is our fifty-metre swimming pool. I am glad that I was given the privilege to go to Newman Junior College because it is such a great school and my friends and I have had such fun here.

OUR YEAR BEGAN celebrating the Feast Day of St Brigid, when members of our school community participated in the celebrations marking the closure of the building that once housed the Brigidine School at the Our Lady of Victories site. This school site originally closed when it moved to our current Brigidine Campus at Floreat. A number of the sisters who taught at this school flew to Perth for the celebrations. Newman Junior College was presented with two pictures of St Brigid which were framed with timber from the old OLV site. These now hang proudly in the foyers of both campuses as a reminder of our Brigidine Heritage. A photographic history of the Brigidine Sisters in WA was also compiled for this occasion and hung in the foyer of Brigidine Campus.

Each year we gather on four occasions as a school community to celebrate our Whole School Masses. Our beginning of the school year Mass this year focused on the Centenary of Federation of Australia where each class was presented with

an Australian Flag to hang in their classrooms. Our second term Whole School Mass celebrated the heritage of our founders, the Marist Brothers and the Brigidine Sisters. This Mass is celebrated

between the Feast Day of St Marcellin Champagnat on June 6th and Daniel Delaney's Day on July 7th. The Whole School Mass for third term was celebrated in Catholic Education Week when all Catholic Schools in Western Australia celebrate our Catholicity. Each Class was presented with a poster "What would Jesus do?" to remind us of our scriptural traditions. Gifts of Love is our Fourth Term Mass at the end of the year when we thank God for all the blessings on our school throughout the year and where each class prepares a festive hamper for a needy family which is distributed by the St Vincent De Paul Society. Liturgical Dances are an integral part of our liturgies where children can pray through dance. The Marist Brothers and the Brigidine Sisters join us as guests on these occasions.

Throughout the year, each class celebrates liturgies based on the module of work they are covering in their Religious Education Classes or current Feast Days. The children at Brigidine Campus participate in Paraliturgies held in St Cecilia's Church. Here, children sing, dance and listen to the Word of God. The children at Marist Campus celebrate Reconciliation Liturgies, giving them the opportunity to receive the Sacrament of Reconciliation using the Second Rite in our Chapel. These children also participate in Class Masses. This year we have been able to use the new Chapel at Newman College for these Masses which provides enough room for all three classes of that level to celebrate together with visiting classes from both campuses as well as parents.

Our school chaplain, Fr Paul Fogarty, celebrates each of the liturgies and paraliturgies with the children. We are very fortunate to have such a supportive and enthusiastic chaplain who is committed to the spiritual growth of our students and the whole school community. His liturgies and homilies are aimed at the level of the children and they are always happy, joyful celebrations which give the children a very positive, meaningful experience of a very focal part of their Faith Development. Fr Paul likes to visit the classrooms and interact with the children.

Prayer Assemblies are another regular celebration at Marist Campus where each class takes turn in preparing and leading the Prayer to celebrate major Feast Days. This year has seen Ash Wednesday, St Patrick's Day, St Joseph, The Annunciation, Holy Week, Family Week, Pentecost, St Marcellin Champagnat, Mary MacKillop, The Feast of the Assumption, the Rosary, All Saints Day and Advent celebrated. Children at Brigidine Campus all participate in their Prayer Assembly for Holy Week where each unit presented a day of Holy Week in Music and Drama.

Because we are not a Parish School, we have a Sacramental Program for the Sacraments of Reconciliation, Eucharist and Confirmation. In each of these, the school assists parents to prepare their children to celebrate the Sacraments. Parent Meetings are held, where the history and theology of each Sacrament is outlined and the school program and ideas for parents to help their children prepare are presented. The candidates celebrate an enrolment ceremony where they put forward their names to prepare for the Sacrament. The children receiving First Reconciliation celebrate the second rite where we have eight priests available for reconciliation by the children and their families. Our celebrant for Confirmation this year was the Archbishop's delegate, Fr Greg Carroll who visited the candidates prior to the ceremony and celebrated a beautiful Confirmation Mass with the assistance of our School Chaplain, Fr Paul Fogarty. The day before the Confirmation, the children participated in a full day retreat where they experience a number of prayerful activities focussing on their Confirmation. First Communion was held over two consecutive weeks in special Masses held at St Cecilia's Church. These were both lovely ceremonies with lots of singing and participation by the children.

The children are encouraged to think globally of those less fortunate than themselves and fundraise to support the Marist Missions, the Brigidine Missions, the Children's Mission, Archbishop Hickey's Life Link Appeal, and the St Vincent de Paul through preparing Festive Christmas Hampers for the

needy. Our fundraising has extended this year to raising money for the James Crofts Foundation (James was a student at Newman College with a rare form of Cancer), the Marist Mission in East Timor which is being established by Br Stephen Bugg, former principal of Newman College, and the Marist Mission in Criche, India where Br John Horgan (former Board member of Newman Junior College) lives and works. Sr Margaret Culhane from the Pontifical Children's Mission visited our school during Mission Week and spoke to all classes on her work as a missionary and told the children about those who their money helps. To fundraise for these causes we conduct our Lental Appeal, Easter Raffle, Free Dress Days, Raffles for donated prizes, and our major annual Spellathon. Parent support is greatly appreciated for these events which help to raise awareness for the needs of others. A class of our Year 6 children attended the School's Ecumenical Service to represent our school. They took a hamper which was distributed to needy families.

The Prayer Life of our school extends to daily class prayer which has been a focus this year as part of our Strategic Plan.

The School Prayer, traditional Prayers and Prayer from our School Prayer Book are prayed regularly. Our School Chapel is open at lunchtime each day as well as being available to classes throughout the day. The Chapel Monitors are responsible for maintaining displays in the Chapel throughout the Year.

Staff Faith Development is an important part of our Professional Development. This year our staff had an overnight retreat at the St John of God Retreat Centre where they looked at Spirituality through the Myers Briggs Personality Types, participated in A Walk Through the Mass conducted by Fr Vincent Glynn which culminated in a Staff Mass and were also presented with the book, *In The Footsteps of Marcellin Champagnat* which they were able to discuss in small group situations. The sharing of Prayer and Reflection throughout the retreat was a highlight.

Newman Junior College prides itself on providing an education for the 'whole child'. The Religious and Spiritual Development of the children is a role in which we proudly support the parents as the primary educators in the Faith Life of their children. We are very fortunate to have a dedicated and committed staff who work as a team for the benefit of our students in giving them the opportunities of deepening their knowledge of their faith and who model the means to live it. They willingly share their talents across the areas to positively contribute towards enriching the religious life of our school and maintaining its caring, nurturing, spiritual environment.

Farewell to Brigidine Sisters

Sr Brigid, Sr Adrian, Sr Claire, Sr Anita

On the 30th June 2001, the Brigidine Sisters officially handed over their involvement in Newman Junior College to the Marist Brothers. To mark this occasion, Sister Anita Murray, the Brigidine Provincial and several of the other Sisters attended a special assembly in the Brigidine Campus Hall. During this assembly, the Sisters were presented with two tablecloths that the children had made with their faces painted around the borders and also some beautiful flowers from the Parents' Auxiliary. Sister Anita presented the school with a colourful contemporary painting of Saint Brigid.

The long association between the Brigidine Sisters and Newman Junior College began with the arrival of seven Brigidine Sisters to Western Australia in early 1942.

They set up a primary school in Subiaco known as St Joseph's and later another in Wembley called Our Lady Of Victories.

A new secondary school for girls was opened in 1962, at the site on Peebles Road, Floreat, now known as the Brigidine Campus of Newman Junior.

In later years as numbers decreased in Subiaco and Wembley, the two primary schools combined

In 1983, a complete restructuring of the Catholic primary schools in the area saw the formation of Newman Junior College as a combination of the Brigidine and Marist schools.

The new primary school became, as we now know it with two campuses, one at Floreat and another at Churchlands.

As a school community, we should take the opportunity to reflect on the rich traditions at the foundation of our school. Our gratitude to the Brigidine Sisters will be best expressed in the way we cherish, uphold and keep alive the values, standards and spirituality they brought to the school.

MUSIC

BRIGIDINE MUSIC DEPARTMENT

The Music Department at Brigidine Campus has had a productive and busy year. The children have responded very enthusiastically to their lessons and have explored movement, singing, playing instruments, listening, rhythmic imitation, body percussion and dramatic representation using various themes.

Liturgical music has played an important part in our celebrations throughout the year and we have learnt a lot of new and lively hymns for over paraliturgies, Masses, Easter and Christmas Celebrations.

The Year 3 Choir has worked very hard throughout the year performing at the school Open Day in Term 2 and the Catholic Schools Performing Arts Festival in Term 3. They have enjoyed learning the various songs and have developed good choral skills as well. The concentration and listening skills they developed enabled them to successfully tackle very challenging two part repertoire.

It has been an enjoyable year in the Brigidine music room!

Music at Marist Campus

Music classes in action

The year 2001 saw the re-introduction of a music specialist on Marist campus. The children were quick to get into the swing of things and have become involved in music making with tuned and un-tuned percussion, singing, dancing and rhythm games.

Due to the generosity of parent organizations we boosted our percussion instruments with the purchase of several beautiful xylophones and two guitars which senior students use to accompany the classroom ensembles. We hope to continue to add to our selection of percussion instruments over the next few years.

On a sadder note we have lost the demountable, a great space for music and drama as it was away from the classrooms. While other arrangements are being made we have used the hall for general music classes, which is great for movement but a little noisy for other activities.

Future composers making their own music: Year 5, Year 7

Irish dancing and prancing: Year 6

Assembly item development in progress: Year 6

Choirs

We have developed two choirs this year at Marist — the Year 4/5 choir and the Year 6/7 choir. Both sang at the assemblies and festivals, and they combined successfully at Catholic Education Week and Music Night. The 6/7 choir received an honourable mention for their performance at the Catholic Performing Arts Festival.

Choirs at the Catholic Performing Arts Festival, South Perth, August 2001

The highlight of the year was undoubtedly Music Night on November 14. The general music programme was displayed with performances from over 130 students from Years 3 to 7 involved in choirs, class items and the band. Instrumental teachers selected several of their best students to play in duets, solo's and small ensembles. The enthusiasm of the students for their performance was terrific.

Catholic Education Week, Forrest Chase, September 2001

INSTRUMENTAL MUSIC AT MARIST CAMPUS

This year has seen big changes to the instrumental programme due to the departure of Rachel Evans. Rachel had run the school band as well as taught several instruments for many years. We now have five instrumental tutors as well as two private piano tutors who teach on the school premises. Mr Peter King (Newman College) kindly took over the band and has spent the year training a small group of dedicated students.

In fourth term a musical afternoon was held for students to play for school members and parents. The relaxed atmosphere seemed to provide a great opportunity for students to play in public, many of them for the first time.

Newman Junior Ballet

We have had a very successful year of ballet at Newman Junior with over 80 students participating in our end of year performance of 'Aladdin' – with star performances from Mitchell Harvey as Aladdin (year 3) and Jaqui Holden (year 3) as Princess Jasmin.

We look forward to an even more exciting year of ballet in 2002.

At the Brigidine campus there have been a wide variety of activities this year. These have included, gymnastics, skipping, individual and team games, ball skills, fitness and athletics.

In second term, two local coaches came to demonstrate several new tennis and footie skills. In term three the athletics carnival took place. Luckily the weather was fantastic and all the children and their families had a great time.

As the year comes to an end and the temperature is rising, all the boys and girls from Year 3 are swimming at the Newman Pool.

CAPTURE THE FLAG

This is one of our favourite games. It is a team game played on an area the size of a soccer pitch. The aim of the game is to retrieve a flag from one half of the pitch and return it to the other half without being tagged. If in the process of doing this someone is caught then he or she is escorted to a prison. Here they must remain until they are tagged by another player from their own team. This is a great activity, physically exhausting but great fun!

FOOTBALL

The interschool footy was very fun, enjoyable, and it was run very well. Our coach was Mr Barker, I think he did a wonderful job. In the whole day we played about six matches and six different schools, a few of those schools were John Twenty Third, All Saints, Carmel, and Bunbury. In every match we played we won successfully. Unfortunately young Louis Osborn got tackled viciously in the last match against John Twenty Third and received a concussion.

THE JUSTIN LANGER SHIELD

The annual contest between Newman and Aquinas was this year held on November 15th at Aquinas College.

It was a very special day highlighted at lunch with the arrival of Justin Langer. During the lunch break all the boys were able to meet and talk to Justin and listen to him pass on several important batting bowling and fielding tips.

As for the match itself Newman collected the trophy at the end of a keenly fought game. We look forward to welcoming the Year 7 boys from Aquinas next year.

SWIMMING CARNIVAL!!!

This year in the first term we had our 2001 swimming carnival. Newman Junior College officially became a Sun smart school and was given a sign in honour of this. All factions participated in the carnival and the results were, Marcellin 1st, Knox 2nd, Delany 3rd and Brigid 4th. Brigid won the efficiency shield and were very pleased. All the children who participated thoroughly enjoyed the fun and even if they did not succeed in winning they all tried their best. Gee Mr. Brown looks funny in his togs!!!

BASKETBALL

This year we have been able to play basketball all year round. It has been very popular before school, during breaks and at lunchtimes. We are very fortunate to have two basketball courts and this has allowed us to do so well in this year's inter-school basketball tournament.

TABLE TENNIS

Mr Brown has taught us how to play table tennis this year. Many good players have developed over the time we have dedicated to sharpening our skills playing table tennis. Mr Brown set up a school tournament recently, which resulted in a lot of fun and enjoyment. Many people were influenced to improve their game, so some people even bought a table-tennis table for home! We have thoroughly enjoyed the experience of playing table tennis at Newman Junior College this year. Thankyou Mr Brown!

NETBALL

In term two many girls did netball for interschool. We trained every Thursday and played many different schools such as All Saints and JTC. We had three mixed teams of different talents so it could be fair. JTC held the lightning carnival and many schools participated including every one in year seven. Newman dominated mostly on the netball courts but all in all it was a great day and every had a really fun day!

SOCCER

Soccer is a great winter sport. The year sevens enjoyed the Lighting Carnival and competing against the other teams. Thankyou Mr Brown and teachers for organising the Lighting Carnival.

HOCKEY

Interschool hockey was a big success. At the lightning carnival at J.T.C we had two teams and both only lost one game each. Weekend hockey this season was great too. The Under 13's Boys lost their Grand Final 1-0 to the Raiders in very wet conditions. The Under 11 teams tried their hardest and learned lots of new skills. They didn't get into the Finals but did very well.

ATHLETICS CARNIVAL

During term three we competed in our Athletics Carnival. It was a great day that ended with Marcellin winning by only TWO points. Knox came second Bridgit third and Delany fourth. Bridgit won the Efficiency Shield. Everyone who participated put in a great effort and with all the vocal support there were many croaky voices by the end of the afternoon. Well done to everyone.

INTERSCHOOL ATHLETICS.

In term four Newman junior college competed at the jshaa Interschool Athletics Carnival. The carnival was held at All Saints College in Bull Creek. The carnival was a great success Newman did very well and ended up winning the super relay.

TOURNAMENT OF MINDS

A state and national competition based on co-operative problem solving. Newman Junior College entered two teams – each performed very well.

HEARING IMPAIRED SUPPORT PROGRAMME

One of the highlights of the year for the 7 children at Newman Junior College who have a hearing loss and myself was the Clear Speech Contest. All the children participated and bravely spoke to a big crowd on topics as varied as football, pet rabbits, making model houses, climbing mountains or recited poems. Here are their impressions of the night.

Support Teacher - Caroline Sullivan

Last night there were lots of people sitting on chairs at the back of the room. A man said "thank you Alex" and I walked to Caroline and she put on the microphone. I stood on the stage and did my talk about football. I wore my Collingwood jumper and my footy boots. I felt happy and excited. The man put a medal around my neck. I went in the car with my mummy and daddy and we bought Hungry Jacks and ate it at home.

Alex - Preprimary

Last night I stood on the stage and I was scared. My heart went "boom boom boom"! I liked Corey's talk on bike tricks. The lady gave out certificates and medals. I went to McDonalds after the Clear Speech Contest.

Georgia - Year 1

Last night I didn't think I was going to feel excited, but I was. There were lots of people in the audience and they clapped after my talk. I had butterflies in my stomach when I was doing my talk 'Climbing K2'. I got a golden medal and after my talk I went to McDonalds and I had a McFlurry with smarties in it.

Joshua - Year 1

Last night I went to the Speech and Hearing Centre straight from ballet. I was shy and I was thinking I would never get my poem right. Then it was my turn. When I went on the stage I was worrying about the poem, then I found it easy. I liked Samuel's talk about Harry Potter. When everyone was finished lots of people came to me and said "well done". Then I got my certificate and medal and I went home happy.

Natasha - Year 3

When I walked in I was a bit nervous and was surprised that there were so many people. We all saw Michael McKinnon and he welcomed everyone in the audience. He told us about his life. He talked about his childhood and about his life now. He is a plumber and he

is hearing impaired. I felt very nervous when it was my turn. I read a poem called 'The ABC'. At the end, Lyle, Samantha and Sarah won a trophy, medal and certificate and all the others won a medal and certificate. After the contest everyone had refreshments and I had a drink and a biscuit. We went home and I felt happy because it was over.

Saskia - Year 3

On Tuesday night I went to the Clear Speech Contest. We sat down and listened to Mr Higginbotham talk. Mum, dad, Tammy, Grandad, Julie and Mrs Lalor were in the audience. When it was my turn I felt happy, excited and shy. When I was finished my talk I was proud because I was very good. I liked everyone's talks especially Thomas' talk about surfing and Cory's talk about bike tricks. At the presentation we all got medals because we were very good. On the way home we bought KFC and then we picked up my brother Matthew. When we got home I felt happy and tired and fell fast asleep.

Melissa - Year 5

I was sitting in my room doing my hair and mum came in and said it was time to go. Then all of a sudden I felt butterflies in my stomach. I was getting really nervous when I got in the car. When I walked into the Speech and Hearing Centre lots of people were there. I saw my dad had the video camera and suddenly I got more butterflies in my stomach and got more nervous. I saw Melissa come in the door so I followed her because she was sitting next to me. When I got to my seat Mr

Higginbotham made the audience very quiet and the Clear Speech Contest began. I was third from the end so I got really bored and then I saw Ms Sullivan call me over because I was next. I felt excited. I don't know why, but I just felt excited. I stepped up on stage and saw lots of people staring at me. I started reading out my poem and before I knew it it was over. I stepped off stage and felt relieved. Everyone clapped and I looked over and saw my mum waving at me. It was all over for another year!

Newman Chess Club 2001

Chess was well attended this year with over 50 members. Newman played 5 teams in the Perth Interschool Competition, where 52 schools fielded 96 teams, in 3 Divisions. Our B Grade Team topped the ladder in their division and made it into the Grand Final. One C Grade team was placed 9th and the other C Grade teams played exceptionally well, with a few wins and losses. We look forward to another great year in 2002 and wish our leaving Year 7 players well in the future.

This year the Year Six children set out for Camp Simon in the beautiful bush land of Araluen National Park. The children were all set for what was sure to be one of the most educational and enjoyable experiences they would ever have at Newman Junior School.

The sun blazed down at a searing 38°C and made for some very hot and exhausted campers by the time night fell. We all dragged our sleeping bags out to the oval and Mr Cameron displayed an expert knowledge of astronomy by pointing out the main points of interest in the night sky and sent a rocket high into the air, waking Mr Brown from a well-deserved, if not, premature sleep.

Between star gazing, eating, bush walking, eating, wall climbing, eating, team games, eating, trampolining and eating, there was little time left to do much else on camp but ... eat.

There were, however, other non-curricular skills focused upon on camp. These included the ancient art of sleep deprivation, practised almost exclusively by many of the Year 6 girls on Night One and inflicted upon the entire female supervisory contingent. To further extend the girls' knowledge in this area, Mrs Pendlebury kindly volunteered to demonstrate to the girls

her pre-dawn jogging techniques which inexplicably squashed enthusiasm for continued interest in this area the next night.

There was also practice in the long-lost art of cleaning dormitories. The children surpassed themselves each night in their efforts to become the best group to hide as many articles of clothing under their bed as possible and pass dorm inspection with flying colours. Well done Kids!!

Patience was also a skill practised each and every meal time. As the queue reached out the door and around the corner, children learned to wait patiently as Mr Brown filled his plate. Nobody ever really got to clean the toilets as Mr Cameron so frequently promised. Disappointing really, as this, as a skill, many of them will surely need in later life. A wonderful time was had by all and on Friday as the bus pulled out of Camp Simon, there were many happy and tired children heading home for some extra sleep thus ensuring a restful weekend for the whole family. Thanks to the wonderful Year 6 teachers who prepared such an interesting camp and gave up their personal time to make it so special for the children.

THE kids of

I think maths is great because it makes me smarter and it is fun. I enjoy learning my multiplication tables. I am getting faster.

Simon Fisch

At fitness we run around the oval, we test our pulse, skip, do running races and have relays. It's great fun.

Matthew Bull

For Book Week, our pre-primary buddies came into our room so we could read them a story. My buddy was Claudia. I read her "Nana's Gift." My buddy enjoyed it.

Courtney Ban

We are doing a project about endangered animals. We could choose which animal to study. I chose to write about the giant panda. It's a great way to learn.

Jordan Newton Maxwell

I came to Newman when I was living in Hamilton Hill near Fremantle. Newman is a great school and I enjoy it but our house is on the market now because we have to move to Melbourne where my dad has a new job. I will miss all my wonderful friends.

Rachel Calalesina

For a couple of weeks Mrs Taylor, our music teacher, has been teaching us a play which the class can act out. There are lots of characters in the story. My favourite characters are The Tempo Triplets. The play is my favourite music activity so far.

Jordan Leahy

In term three I went to Extension and I built a project out of recycled materials. My project was entered into a national competition. The judges chose my project and I was awarded a certificate and a free pass to Sci-Tech. I really enjoyed our extension sessions.

Isabella Boganovich

On Friday 14th of September we had our sports carnival. It was fun. We had running races, sack races and egg and spoon races. In the running races I came 4th. This year Green won, Red came second and Gold came third.

Olivia Mazur

This year we have 15 computers in the computer room. We even have one in our classroom. I enjoy Kid Pix. It is my favourite game because it's fun. I enjoy computer time very much.

Harlan Mullins

At Sci-tech we went to an electric gadget. I went on it and put my hand on a button. Slowly my hair stuck up. It was really funny.

Jessica Luke

My dad told my family that we had to move to Perth for his job. We have now moved into our house and I am making new friends at Newman.

Alana Carrettin

In year three, it's fun having two teachers because you get to do different things. With Miss Chrisp we do language, reading, spelling and other things. With Mrs Cashman we do religion, maths, nature and other things. I like having two teachers, it's fun. I love my teachers.

Hannah Sparrow

During Term 3, my mum and dad, my friend and I went to a national forest. I jumped on to a log and a metal pole cut my leg. I had to go to hospital and have 12 stitches.

Nicholas Landi

Year THREE GREEN

In art we made thumb pots. First we moulded our pots. Then we indented little patterns into the pots to make them look good. Now we're going to fire them. Finally we will glaze our pots. They will look really good

Peter Martis

On news days we have different themes. This week we are talking about advertisements. Last week we recited a favourite poem. I like news because sometimes we can bring in pets.

Garrett Murphy

We had an assembly for the Brigidine Sisters because we wanted to thank them for building this campus. We had to be well dressed. We gave them presents and they gave us a picture of Saint Brigid. We are so lucky.

Michael Harrison

In Year Three I made play dough with my teacher, Mrs Cashman. We worked with partners. When it was time to go home she let

us have a bit each. It was really fun.

Jacob Joseph

I only came to this school in Year Two. I have made lots of pals since then. I like to play sport with my friends.

James Milligan

In term two I brought my budgie to school. I made my budgie sit on my arm. I explained how I help to care for my pet.

Natasha Nikoleaff

On buddy day I went with my class to the Marist Campus. My buddy is Declan. He showed me around the school. It was fun.

Denholm Harold

The Sci-Tech excursion was fantastic. We got into our groups. After that we saw the dinosaurs. Then we went to the electric show. Finally we went back to school. It was a great day.

Lewis Dienelt

Luring second term my mum, Courtney and I flew to China to see my dad. I took my teddy with me. I was so glad to see my dad. I love my dad. China was beautiful.

Matilda Schenk

During art one day we made a start on our pam-pains. And we still have to finish them. We used lots of coloured string. I enjoy art so much.

Samantha Zaekis

This year in term 3 we had a book fair. It took me a long time to choose a book. I chose "Tree Directory." It teaches you how to use a map and it is a great book. I am looking forward to the next fair.

Michael Martis

At choir all the Year Threes were practising for a festival. We sang "Listen to the Rain" and "Off to the Races." I really liked singing in the choir and I hope we do it again.

Gabrielle Ronchi

Running is my favourite exercise. I like running so much I do it every day. At Phys-ed I'm always at the front to the pack. At the sport carnival in the 40 metre sprint race I came 3rd. That means I'm the 3rd fastest in the school.

Year 3 RED

THE STARS OF

In Maths we do division with remainders addition, subtraction and multiplication with regrouping. We've done numbers into millions and we've done decimals and fractions. And we don problem solving investigations. We have to learn our tables. SEBASTIAN STANLEY.

On Thursday we do science experiments in teams of three. We have investigated magnets and magnetic fields, made water music, found patterns, grown vegetables, investigated finger prints, looked at camouflage, built towers and braces. We've learnt to record our findings in different graph forms. JUSTIN TIMMINGS.

We had a visit from a man named Svargo, who mimed. He taught us some tricks. It was fantastic, he was really good. He mimed different people. He also mimed the story of Rupunzel. He was very clever and everyone tried to copy him afterwards. His show was called once upon a mime. TOBY CHEAH.

At the Maritime Museum we saw the skeleton of a man who'd been murdered in a mutiny. we saw old sailing equipment and relics from shipwrecks like coins and pottery. They had samples of spices that were used for trading. JAKE NELSON.

We are learning Italian. We are doing a project about Italy and learning how Italians live. It is fun. I have learnt how to talk in Italian how to count and how to say the alphabet. We do cartoon plays and act them out in Italian. PEDRO BOURKE.

Sebastian

In computer we have been using the internet to research environments and rainforests. In our class links we research exploration and space. We create our own document and use wordart to make them look interesting. ADRIAN COOPER.

I am in the Newman Junior Jumpers Team. We demonstrate lots of techniques with skipping. We go to lots of different schools to do demonstrations. We have training sessions on Mondays at lunchtimes and Wednesdays before school. It is great fun. SAM DIAMOND.

We had a Pirate Day because we were learning about sea exploration. We all dressed up as pirates and did a play. We had a really fun day. We even had a pirate cake ship to eat. JAMES DONNELLY.

We did a project on Space. Some people made models of the Solar System or of a planet. Some made poster presentations and some did power point and video projects. They were all really interesting and we learned lots about space. AMY BETH.

Our class is looking forward to our first Holy Communion. Some people are having it on the 9th or the 16th. This will be a very special day. I am hoping it is going to be fun. RAQUEL GISMONDI

YEAR FOUR BLUE

We received the Sacrament of Reconciliation in our Chapel. We used the Good Shepherd Gospel "Echo Mime" and made sheep for the display. We did prayers to say we were sorry. Lots of parents came to join us. KURT HERON.

At the Chess Club you train on a Tuesday. After awhile you go to other schools and verse children. Sometimes children come to our school. It is fun and sometimes we get treats when we go to other schools. I like the Chess Club. MAGNUS HOWIE.

When we went to the Bickley Observatory we looked at a real meteorite and giant pictures of the Planets. They showed us a power point presentation on different eclipses that happen during the years. We went inside domes and saw how the big telescopes work. We really enjoyed this excursion. ANDREW JOSEPH.

Our class led a prayer for St Patricks Day. We sang the Shamrock Song. I played the part of God the Father, St Patrick used the Shamrock to explain the blessed Trinity. We also did a liturgical Dance. EOGHAN McCALLION.

When we went to the Museum of W.A. we listened to a talk about Perth Frogs and where they live. We got to look at some live frogs and also the different frog sounds. It was very interesting. THOMAS McCORMICK.

Every Wednesday at lunchtime we go to the hall to play Table Tennis. We play against other year fours. It's really fun. JOSHUA McLAUGHLAN.

Our year 4/5 choir participated in the Performing Arts Festival. We sang "Calypso Cats" and "Slowly the Snow Comes Falling Down" Our choir was first to perform in front of six other schools. Then we listened to the other choirs. AMY MURPHY.

In library we are learning about Odysseys. We are watching and reading about him. We each made a ship. They are up on the wall. I love stories. VANESSA NICI.

At sport we play capture the flag, capture the footy, long jump. On the rainy days we do skipping or dancing in the hall. In summer we go swimming and have a swimming carnival. In winter we do Soccer and Basketball and we are learning Table Tennis. TOM O'SHAUGHNESSY.

We are getting ready for our Athletics Carnival. We are doing trials in 100m, 200m, long jump and shot put. At the carnival we sit in our factions to cheer. Everyone has races and relays to enter. We learn war cries for our factions to cheer at the carnival. RORY O'SULLIVAN.

At Art we do all sorts of drawing and painting. We normally spend 2 or 3 weeks on one thing. In the first term we made a fish, then we stuffed it with newspaper. In the second term we are doing a frog collage. In the third term we are doing sketches on paper. Art is great fun. CHANTELLE OLIVER.

We had our first swimming carnival this year. Everyone went in a race. There was lots of cheering and we had a fun day. Marcelin won, Brigid came 2nd, Delaney came 3rd and Know came last. The places you can come are 1st,2nd,3rd 4th or 5th. EMILY GRACE PENDLEBURY.

We raise money to help the poor people in other countries around the World. we send it to the Marist and Brigidine Mission. We make Christmas Hampers for St Vincent de Paul. NATHAN PINNER.

On the 5th of July our class went to the Coca Cola factory, and we got to see how they make a tube into a plastic cool drink bottle with a machine. We saw a man putting lids in the machine. this was very exciting. We got a Coke showbag. JAMES BOLIN.

Brianna Starway
I liked the farm because there are lots of cute animals like chickens, lambs and rabbits. I loved feeding the sheep and lambs very much!

Elli Barnes
I got some of my ideas from a library book.

Kate Bonavita
In the early days there was no electricity and running water inside.

Curtis Brodie
I learnt that it was hard to build. They had to find materials from the environment.

Raphael Byrne
It was hard living in those days and you didn't have everything you wanted.

Rowan Carter
I found my ideas for my project out of encyclopedias.

Matt Crackel
I used mainly wood for my house and corrugated paper.

Nikki Cresp
My favourite part of the project was painting.

Kevin Eastwood
To build my house I needed a base and a shoebox. I went to the park to collect some sticks.

Kate Evans
I used pop sticks for the fence, veranda and clothesline.

Hugh Forbes
I used balsa wood for the fence and the cart and the door. I used denim for the lake water.

Sam George

Dear mum & dad,

Life is extremely horrible here and completely gross. Our life style is disgusting because we have a bucket which we go to the toilet on. The food's not much better because all we get is porridge, soup, bread, milk, tea and water. Well anyway how are you? I'm O.K. apart from the hundred whips I've recently had which really hurt indeed. After that I was sent to solitary confinement for 2 months. Well the good news is I got a ticket of leave for the long weekend. I am writing this letter to you from the edge of the ocean where I'm planning to escape back to England. Hopefully I make it in the next year and a half. Hope you all well. Love you all. Please keep me in your mind and prayers.

Dear Mum & Dad,

How are you? I'm pretty well, except that the food here is terrible. I will be glad when I'm released. I got some news yesterday while I was gardening, the guard came up to me & said that I could leave in two months earlier than I planned. I'll tell you why. A few days ago a prisoner made a hole in the wall, everyone escaped. But not me because if you break out of jail you have to stay an extra year, but I stayed (who would want to stay an extra year?) I figured the faster I get out of jail the better. I did get 50 lashes though. And I wound up in hospital, when returned from Hospital there was a room in solitary confinement.

Dear Mum Dad and sister,

How are you, hope you are well. I am not to well my friend got 100 lashes on the back but when he got to 50 they had to take him to Hospital and when his back gets better he has to have the other 50 lashes. Anyway today it's really c c c cold and I hardly have anything on. And plus I have to play Tennis today and I am hopeless I can't even hold the Racket. Tonight for dinner I am having some veges with plain bread. Something

definitely to be excited about is in two weeks I am getting my ticket of leave. Anyway got to go to my exercise now. I will

Dear Mum and Dad
I just escaped and I'm in trouble. I must be quick because there are lots of guards after me and must get away. I have been in solitary confinement for 3 months and then got let off and then escaped by climbing the wall and sprinting into the bush and hiding and I am going to wait until they go past. I stole bacon, fat, meat and a loaf of bread so the police sent me here. Do you know Joan-marc? I'm missing him very much.

Dear Mum and Dad,
How have you been?
How's Hunter? I'm fine. I've just spent 2 months in solitary confinement. But my 2 months are over now. It was dark and I was lonely. I thought about you every day in solitary confinement. I still do. I tried to escape, but they caught me. I have to take care of the horses. There are a lot of flies! I miss you so much. I have to be at the exercise yard from 9am to 3pm. It's good to get some fresh air, but it's so hot! I've been reading a book from the library. I'm trying to be good so that I can choose a book! Goodbye for now.

Dear Mum and Dad
Day 1
I'm missing you. I hope you are all good. So how is Woolf I hope he's all right. I've met a new friend, Bob. We have 3 more days until we bust out of here. We're building a metal ladder to climb over the wall. I have my saxophone and I get porridge, bread, tea, soup, and water. Bob and I share a cell. In the exercise yard we play basketball. Bob taught me how to shoot.

Day 2
Tomorrow we're busting out of here. I'm so excited.

Day 3
We've finished our ladder. It's 9:00 we've put the ladder up while the others distract the guard. We're out of here! I hear sirens "Oh No" I cried. Bob and I ran down the road but the cop is so fast. He looked at us. His name me all escaped. We all became guards W.D.C.

Highlights of the year in Year Six Green ...

In my opinion time has passed so quickly. Enjoy the year and being in Mr Cameron's class. 2001, that's how many years it seems like I've been in this class. At least I have recess and lunch to keep me sane. The 4 square courts were my greatest asset. Cal, Matt, Elliot, Brendan, Mike and me played time after time.

The exhilarating new subjects and sport: Japanese Studies and Table Tennis. Humorous and lively Mr Cameron and Mr Brown.

Mr Cameron has taught me that school can be fun! That's AMAZING!

The week after camp, Mr Cameron set off a Rocket, it exploded with fire and it went so high that you couldn't see it. Doing sport with my best friends and Mr Brown because we have done a variety of different sports.

The disco was memorable. I was able to have so much fun with my friends and dance all night! I found the camp bushdance exhilarating because I loved dancing with my friends. Definitely camp. During camp we went stargazing, that was really amazing.

Camp was great. It was good to socialise and I learned from the activities. I also enjoyed the dorms.

Mr Cameron has set up plenty of astounding things for us although he drives me to insanity overall I'm enjoying him ... sort of!

This year has been fantastic, humorous and exhilarating because of my teacher, Mr Cameron and my friends.

Playing with new people like Matt, Wesley, Lawrence, Josh, Anthony, Jason and Chris.

Mr Cameron, now he's an excellent teacher. I really enjoyed this year.

Being able to play interschool sport. Sean and I played soccer, it was exhilarating.

Successfully making it to the Table Tennis competition which Mr Brown organised.

Row 1 Mr James Cameron, Sarah Bogdanich
 Row 2 Thomas Burchfield, Brett Mosie, Mark Schmidt, Christopher Bailey
 Row 3 Tim Lang, Justin Winters, Patrick Negus
 Row 4 Caleb Roberts, Sam Searle, Matthew Delaney
 Row 5 Josh Nissen, Lawrence Valentini, Anthony Rossi, Sean Brook

Row 1 Sarah Truscott, Claire De Lampe, Rebecca O'Sullivan
 Row 2 Jessica Raphael, Andrea Morales, Sarah Snook
 Row 3 Eddie Neille, Nathan Cooper, Max Haederle, Tim Penniment
 Row 4 Elliot Lyon, Daniel Reed, Andrew Sutton
 Row 5 Kia Robinson, Imogen O'Keefe
 Row 6 Ellie Tovey, Trilby Barclay

Thomas Burchfield

In the finals saying "I'm going to do it" and I did, I won the 100m sprints. Doing Hockey with my friends was brilliant. The swimming carnival was the most exciting, more like exhilarating thing this year. I got a 1st and 2nd which was a first for me!

Brett Moore

Tim

Doing fun things for sport including Table Tennis, hurdles, throws and sprints.

Trilby Barclay

Cal

At camp we did heaps of things like wall climbing, swimming and races. Wall climbing was the best.

Playing silent ball at the end of the day and the awesome time with Sarah and Andrea plus all my other friends had the best time! Having Jess and Drona in my class. They help me make it through the year and all the dancing we did with other grades.

Justin Winters

Kia Robinson

Coming into this class at the start of the year with all my pencils and gear where I met some friends

Meeting Trilby, Ell, Rebecca, Clare and Kate. On camp there was bushdancing and bushwalk (we got lost).

Being chosen to do Art extension because I have a great imagination. Mrs Pichler was very kind.

Patrick Negus

Imogen O'Keefe

Sean

I won't forget that exhilarating and captivating climbing wall on camp. This year was the best!

The first day I met Mr Cameron- I thought he was going to be mean, but he turned out to be really funny!

Ellie Tovey

Year six has been 10 times better than yr 5. With interschool soccer, and MR Cameron was a great coach.

The Performing Arts was brilliant played the song Beauty and the Beast.

Football was heaps of fun. It was fantastic because most of the time Dean, Patrick and I would be in the same team!

YEAR 7 BLUE

alexander circosta
Year seven camp was very informational and had great activities. When I was confirmed I became a full member of the church. It was a great feeling.

Ashley Davis. ▶

Camp was at Waroona, Forest Edge. It was great fun. The activities were the best. The food came next.

brendan mullins

On camp we had a great time. We did lots of activities that were fun! I have enjoyed this year in year 7 but like everyone I look forward to year 8.

amy gillies ▲

In 2001 the year 7's went on camp to Forest Edge. It was the best and we all had fun. This year has been really good and exiting. It was a really good year 7 in 2001.

▲ **Nick Allen**

This years camp was absolutely sensational because we Learnt how to work in teams. Year 7 is the best year so far because it prepares you for High school. Confirmation taught me how to believe in God a lot. This was also such a huge experience in my life. I have been at Newman since Pre-Primary and I have enjoyed this long experience for the whole time.

◀ **gabby hammond**

We went on our year 7 camp to Waroona. Camp was great fun and enjoyable. We had lots of fun and adventurous activities. We watched videos and played fun games.

hugh minchinton ▶

Camp was okay and some of the activities were good. The bus ride was quite long but looking out the window was fun. I enjoyed the Confirmation mass because I got to see my friends. In year 7 I have been feeling happy.

◀ **ellen maybery.**

This year we went to Forest Edge, Waroona for year 7 camp. My favourite activity was the pumper pole. Everyone had a great time. It was an excellent week away!

carlos greblo ▶

Camp was really fantastic. It had a lot of great activities. Year 7 has been a lot of fun so far. When I was Confirmed I felt a lot older because the Holy Spirit had come into me fully.

julie shackleton. ▶

Our camp was really good. It was a good experience. The activities were very enjoyable. At night we watched videos and played lots of games.

◀ **gary mamotte**

I like camp because I actually did learn something. I learnt a lot about Greg, who is a guy who did the incentive course. He is a great guy. Year 7 is so much of a big step and I can't believe I did it but I didn't do it alone. I had lots and lots of help from the teachers. They are the best!

chris kennard ▶

The Saint Project helped me learn all about my saint for my Confirmation. Camp was great fun my favourite thing was rafting and canoeing. Year 7 has been great and I have learnt lots of new things, but I still can't wait till year 8 and going to high school. My teachers this year, Mrs Thompson and Mr Arnold are the best teachers ever.

conrad bogusz ▲

Being at Newman gave me a whole lot more ideas for life. Going on camp was not only fun but also educational. When I was confirmed I felt the Holy Spirit come into me. Having Mr Arnold as a teacher is really fun.

charlotte brinsley ▶

This year our year 7's went on a school camp. It was heaps of fun. We are in term 3 of year 7. It's gone really quickly.

◀ **chris ashleen franz**

This year was great and a fun experience. I absolutely loved camp it was the best ever. I hope everyone else enjoyed the year because I did but I still can't wait till high school.

josh garlepp ▶

I can't wait till high school because I have had such a good time in primary. Camp was exciting and very active. My favourite subjects are art and sport. I liked year 7 because of my friends and teachers.

tim boudville

Camp was great fun, we did some exiting stuff. I thought rafting was the best activity. Archery was great fun too. The thing I didn't like was journal writing. This camp was heaps better than the other camp in year six.

ross coldwell

In second term the year seven unit and I went to Waroona Forest Edge for our camp it was great fun and I made new friends. This year was my first in Perth and Newman and so far it is pretty good apart from the occasional abuse about being a Port Power supporter. This year we also had confirmation that was pretty good studying a saint was really interesting so was learning about the sacraments.

tyger hawke

Camp was really fun. It was a great learning experience. I'll have had a great time in year 7. I have had a great time at Newman Junior College.

stephanie terwindt

Hi my name is Stephanie Terwindt and I am in year 7 Blue. I'm in tournament of the minds and I'm good at art and dancing. I am really looking forward to year 8 at Santa Maria College in Attadale. I have had a great year so far especially at camp and with my friends.

krystal oliver.

This year for year 7 camp we went to Forest Edge, Waroona. My favourite activity was the Pamper Pole. I liked all the activities and I did not fall in the water at all. The food was O.K. I hope the teachers had fun because the kids did.

david o'connor

Camp was the best thing ever. My favourite part of camp was the pamper pole. It was really, really fun. Camp was really great because it made everyone work together.

lizelle moniza

Year 7 is great! We had heaps of fun! Camp was exciting we had a great time! Confirmation is good I got confirmed. Newman is a great school!

melissa di florio

Camp this year was heaps of fun! Camp was definitely the highlight of year 7, I couldn't think of a better way to spend a school week. I love this school and wouldn't change ever. Primary school wouldn't be the same if I went to a different school. This year has been great. Year 7 was the best. I'm really going to miss primary school.

stephanie reddie

Year 7 camp was great fun; we went to Forest Edge and did lots of fun activities. My teachers are Mr Arnold and Mrs Thompson We had confirmation in second term at Holy Rosary. At school my favourite subjects are science, English and sport.

samuel may

Camp was great we did lot of great activates my Favourite ones were archery and the pamper pole. The people in my dormitory were Raf, Oliver, David, Gary and Nick. The food wasn't the best thing I had to eat but it was good all the same. I thought camp was the best thing I got to do all year, but the worst bit would be the journal writing.

oliver race

This is a picture of me in the classroom working. Newman is really great, good and fun. This year has been the best year ever. This year we went to camp in Waroona, Forest Edge it will leave a lasting impression of fun times with all my friends.

rafael rocci

In year 7 camp we went to Forest Edge, Waroona. It was the best camp I've been on. In year 7 blue our teachers are Mr Arnold and Mrs Thompson. I had my year 7 confirmation and it went well. I've enjoyed year 7 and I've had fun in my class and being a computer monitor. I hope the other years have fun too.

Katherine Hawtin

Year 7 is good because you get to do lots of fun things like camp. Camp is a really fun and good experience. You get to go to camp Waroona and it's great. Confirmation made us full members of the Church.

sabina peci

This year's camp was really fun! This has been a great year. I am going to miss primary school. I can't wait for another camp.

Chelsea Stanway

Siobhan, Gabby and I were the 3 chosen speakers to participate in the Speak Up Awards 2001. The judges chose two students to take part in the finals. Unfortunately no Newman students were chosen but the speak up awards were a great experience.

I have really enjoyed the Year so far, as there has been Confirmation, camp and graduation is coming up! Camp was fantastic, I participated in activities such as pamper pole, big fox, small fox, incentive .C, confidence C, archery, rafting and canoeing.

Year 7 has been excellent. I have had a GREAT teacher in Mrs Hoyne and she is one of those legends who loves cricket. I have made new friends and I really enjoyed playing in the Justin Langer Shield.

In year 7 our two main events were confirmation and camp. Confirmation was a big step in our lives. Camp was exciting and fun with all the activities. This year we've also had reconciliation and lots of excursions including our visit to the museum and to Trigg Beach.

This year has been great fun because NJC is a great fun school. Mrs Hoyne, our teacher is really nice and she makes school enjoyable. I have really enjoyed year 7.

Daniel O'Connor

Year 7 has been great fun. It is good in Mrs Hoyne's class. We have had a great music teacher this year, her name is Mrs O'Connor.

Year 7 has been excellent fun and enjoyable. I am looking forward to high school and the rest of the years to come.

My years at Newman have been great. I have made some good friends and thoroughly enjoyed my time at the school. The facilities are good and combined with experienced teachers I have learned and experienced many interesting, weird, wonderful and fun things.

Being in year 7 green is great because we do fun things. I have learnt lots of things in religion, Italian and sports. I also have learnt about morals and dialogues. Year 7 green is wicked and every day is fun and amazing for my classmates and !!!

I started N.J.C. at the beginning of the year and everyone made me feel welcome straight away. I have lots of friends here and we all had a great time at camp! I really don't want to leave here but the memories will last forever.

Camp has been the highlight of year 7. The pamper pole, big fox and confidence course were fantastic. So far, year 7's the best grade!

As we got on to the bus it was raining. It took a little while to get to Forrest Edge. As we arrived it looked like an adventurous place. My favourite activities were the pamper pole and the confidence course and also archery. I liked camp a lot. It was a great experience with my friends.

Camp was the best week of school I have ever had. We got to do lots of activities. My two favourite were the pamper pole and the flying fox.

Year 7 camp was probably one of the most exhilarating things we could look forward to in the whole of primary school!!!! It relied on all the gifts we were given in Confirmation, which we also received this year!

I did not know what to expect at the start of Year 7. I wasn't sure what it was going to be like but after the first week I had a good idea. It's been a great year and I had a fantastic time at camp. I am now ready for anything to happen.

Year 7 has been great fun, with camp, confirmation and many different excursions. I look forward to the rest of the year.

On the bus to Forrest Edge I got so excited. When we got there I unpacked and got familiar with the place. Every night we watched a video and stayed up late. My favourite activities were the BIG FOX and Orienteering.

This year has been very adventurous and I am sad to leave Newman Junior. We have done many different things that have built my confidence. Camp was probably the best thing we have done all year and although it was a two hour drive it was worth it. Overall year seven has been GREAT!

This year has been great fun! I've learnt new things, made new friends and played new sports. I have no regrets about year seven, it's been fantastic.

Year 7 has been a really good year for me. We've been on camp, had our Confirmation and participated in a co-ed lightning carnival. In Mrs Hoyne's class our main studies throughout the year were WW1, WW2 and the destruction of Pompeii. Year 7 was great.

Year 7 was great, with many twists and turns. Camp was the biggest highlight of the year and was an experience I'll never forget as it was so enjoyable. I'm leaving Newman next year and I must say it's been a great school and I've thoroughly enjoyed my time here.

This year has been one of the most enjoyable and rewarding years of school. I am really happy about earning an academic scholarship at Christ Church Grammar School. I am waiting anxiously for what the rest of the year holds and look forward to high school.

My favourite part of Year 7 would easily be camp. Some of the highlights were the pamper pole (because my brother didn't do it when he was in Year 7 and I did), the big fox, archery and the nightly videos. Camp was really fun. Year 7 has been really great and it has prepared me for high school.

Camp was the best week I have had this year. My favourite activities were the pamper pole and the big fox.

Going on camp was the highlight of Year 7. I also enjoyed being a Chapel Monitor

On camp I had lots of fun. The pamper pole was 8 metres high. It was also my birthday and that added to the excitement.

This year has been great fun and I hope that future year sevens have as much fun as I did at camp. Some of the activities we did at camp were the big fox, the pamper pole, the incentive C, confidence C and rafting and canoeing. I look forward to the remainder of the year.

Camp was a most enjoyable experience at forest edge, Waroona!!! We did heaps of wicked activities!!! Some were scary, and others were tiring. I had lots of fun on camp!!!

Camp was great! Even though some of the activities were weird, most of the activities were excellent and the food was good. I had a really good time at camp.

Camp was really great. Every day there was a fun thing on! It was the highlight of Year 7. Year 7 has been great too! What will come next?

Year 7 has been very enjoyable so far. I look forward to the rest of the year. Hopefully there will be many more exciting events. This photo was taken at Kings Park after the excursion to the museum to learn about Anne Frank and WW2.

YEAR 7 RED

I loved year 7 camp because it was exciting and very adventurous. You were always outside in the bush. It was disappointing that it rained when we went to Waroona and it rained when we left.
Alexis Bright

My name is Court and I love all sports, I can play pool or swim at school, I don't do drugs so I stay and play at school all day, I don't cough or gag or spit out slag so if you want to be cool stay at Newman school.
Court Schenk

I'm too cool for school and will never forget Mr Barker's hilarious jokes. We always stood by his side, sure we laughed at him every now and then.
Luke Davies

I think camp was the best thing about year 7 and was probably the best camp I've ever been on. The best activities were the pamper pole and the canoeing and rafting. I'll never forget year 7 and how I had so much fun.
Caris Hamilton

Camp was fun. My favourite things were the pamper pole and canoeing and rafting. The scariest thing was the pamper pole. Our dorm at camp had a loose wall and jammed door! Overall camp was great fun.
James Herron

I loved year 7 the greatest parts of year 7 is the sports carnival, swimming carnival, camp and the graduation. Year 7 is one of the best years I have ever been in apart from kindy. It is great to lead the rest of the school for the year. It is also exciting because we get to go to year 8 next year.
Jason Ray

Year 7 at this school was probably the best school year I've ever had. Camp was great this year and so was my Confirmation. Even though I'm going to a new school for high school, I know I'll keep my friends and my memories! I hope everybody else in Year 7 had fun too!
Catherine Kazazi

This is my eighth year at Newman College. And I have enjoyed all of them. This year has been very eventful. We had year 7 camp and our Confirmation. To all teachers and friends' thanks for all the memories I've had at this school.
Jack Sicari

I have only been at Newman Junior College for one year but that is enough to tell me that this is a really good school. Better than the two other schools I have been to. While I have been at Newman I have made really nice friends I will never forget.
Holly Syred

I have been at Newman for 8 years now, from pre-primary to year 7 and now I'm moving onto high school. Some of the highlights of year 7 have been the camp, Confirmation and sharing the year with my friends and all of the teachers.
Gergia Pisconeri

Yr7 is my favourite year. I will never forget Mr Barker's hilarious jokes. At least he thought they were. Mr Brown is the same but if we don't laugh at his we get PUNISHED in some cruel way. P.S. Just kidding (WINK WINK). Always laugh at Mr Brown's jokes.
Henry Brown

I've been at Newman for 8 years. I've shared year 7 with my peers. Confirmation and camp were so much fun with my friends since year 1.
Fiona Geoghegan

Year 7 was one of the best years I've had. Camp was exciting and heaps of fun. I have been selected as an art monitor. I love art, but sport is even better. I will never forget Year 7 at Newman Junior College.
Jasmine Kautsky

I will never forget camp. It was so fun doing archery; pamper pole, confidence course, big fox and the incentive course. My favourite activities were archery and the pamper pole. The pamper pole was so high.
Mark Parry

My teacher this year has been Mr Barker. Year 7 at Newman Junior has been good. One of the highlights has been camp at Forest Edge. Camp was in Week 2 of term 3. I think it was the best thing all year.
Dominic Miller

I've been at Newman College for 8 years and I've loved every minute of it. I've made wonderful friends and I've had great teachers.
Melissa Lim

I have been at Newman Junior College since pre-school and I think its been a great school for me. I have made the greatest friends you could ever have and I have felt very welcome here. I've been on heaps of great activities and two cool camps at Newman. Newman Junior College has been a blast and I will always remember it.

Mitchell Perrin

I have been at Newman Junior for the whole of my primary schooling life. Newman has enabled me to make great friends and has given me great memories, which I will keep for life, from such fun events as Confirmation and year 7 camp. **Peter Grieve**

I have really enjoyed my time in year seven and at Newman. Some of my highlights this year have been camp and confirmation. I am looking forward to Graduation and High School next year.

Perry Colyer

Confirmation was the most spiritual thing I've ever done. Year 7 is full of surprises; you never know what's next. Camp was fun; we learnt how to get lost (he he he). NJC is a friendly and happy place.

Nick Jackiewicz

I came to Newman in 2000. It has been great and I became Head Girl. I really enjoyed going on camp this year ad year 6 camp was good too. I got Confirmed this year and all the preparations paid off. I have made heaps of really great friends. Year 7 has been the best year of primary school.

Sarah Madigan

Year seven has been as happy and bright as the sun, and camp was really scary and fun. My time at Newman Junior has been cool, but next year, in year eight, I'm off to a different school.

Simone McGrade

The Newman College Camp was the best experience I've ever had. It was exciting and I learnt a lot of new things. It was a great campsite.

Nick Tsvetkov

I'm in year 7 and I have been through some weird times. This year has been the strangest though. I have become a full Christian, Sports Captain and a Prefect. I've just come back from camp and it was an exhilarating experience.

Tom Bull

Newman Jr College has been the best school I have been to. I have made lots of friends and had some very good times. I hope the high school is just as good.

Paul Mansfield

I will never forget camp. It was probably the second best thing I've ever done in my life. I thought that the canoeing was really cool. The only bad bit was when I fell in.

Patrick Donovan

I have been a library monitor for all of year 7. I had great fun on camp and at confirmation. I have been at Newman Junior College for 7 years now and I can't wait until high school. Thanks to Mr Barker, my teacher, Mrs Hoyne, Miss Piper, Mr Arnold, Mrs Thompson and my principal Mr Green. I will keep my friends and memories.

Stefanie Jones

Make it the best year you can cos you can't do it again. And don't forget to eat fruit and vegies and brush your teeth 2 times a day and floss, cos you don't want gingivitis.

P.S. Mr Barker is the funniest man in the world and you'll die laughing at his funniest jokes. P.P.S. Of course I lie.

Tom Cutten

So far I have enjoyed year 7 at Newman Junior College. We had a lot of successful events including our Confirmation, and yr 7 camp. Our Confirmation was a terrific event that I enjoyed. Our camp, which was the best, was at Forest Edge. That camp will be the camp I'll never forget. Last but not least, I have loved my 8 years at Newman and being Captain of Knox and a student councillor. I will hopefully enjoy my high school years as much as my junior years. I have made some great friendships and memories that I will cherish for life.

Nicole Bolton

This year has been wonderful. I have enjoyed all activities I have taken part in, such as camp, Confirmation and I am also part of the school choir. I love sport and look forward to it every Wednesday and Thursday. I have enjoyed all the fun jokes and seeing my friends at recess and lunch. I really have enjoyed th eyear of fun. **Ella Henderson**
